Semester 1 Student Reports

You will receive your child's school report for Semester 1 next week. This report complements the interview you have had with your child's class teacher last term and provides you with an indication as to how well your child is achieving at school and areas for further learning. Please take the time to go through the report with your child. They will be able to talk to you about the learning they have done.

If you have any questions about your child's progress, please make a time to meet with their class teacher when we return to school after the break so you can work together to best support your child.

Nutrition Snippet

The simplest way

...to know the serves you need.

Eat It To Beat It helps families to eat enough serves of fruit and vegetables. We all need a different number of serves per day, depending on age.

| How many serves a day? | Veg | Fruit |
|------------------------|-----|-------|
| Adults | 5+ | 2+ |
| Breastfeeding women | 7½ | 2 |
| 12-18 (boys) | 5½ | 2 |
| 12-18 (girls) | 5 | 2 |
| 9-11 | 5 | 2 |
| 4-8 | 4½ | 1½ |
| 2-3 | 2½ | 1 |

A serve of fruit = 150g of fresh fruit or one medium or two small pieces, or one cup chopped fruit.
A serve of veg = 75g of veg or ½ cup cooked veg/legumes or ½ medium potato or one cup of salad.
