

Tuesday 4th December 2018

Staffing News

Congratulations to Mrs Morgani on her permanent appointment as Principal of a new school starting in 2019. Mrs Morgani has been a great asset to our school for over ten years and has led significant improvements across the school. She has also worked closely with our P&C and wider community. We wish her all the best in her new role.

We invite you to join us Friday 14th December at 11.40am in our school hall to celebrate and farewell the wonderful Mrs Morgani.

Staffing News

Congratulations to Miss Hajinakitas on her permanent appointment as Assistant Principal at Villawood East Public School and congratulations to Mrs El-Ali on her permanent appointment as Assistant Principal at Revesby Public School. We wish them all the best in their new role and thank them for all their effort and dedication.

Special Award

Mrs Nardis was the proud recipient of the Chullora Newtwork Award in the category of classroom

teacher. Mrs Nardis's passion, commitment to learning and mentoring of teachers is greatly valued at our school.

Koori Art Exhibition

Congratulations to Kevin, Nigel, Rohan and Noah who created a collaborative artwork for the 2018 Koori Art Expressions. If you would like to visit this exhibition at the Powerhouse Museum it will be open until January. Many thanks to Mrs Alexiadis for her coordination.

Enrolments for 2019

We are in the process of organising enrolments for 2019. Last week a note went home asking if your child was returning in 2019. Please ensure this note is returned to your child's teacher by Friday 7th December so we can finalise planning for classes.

If you have family or friends who have a child starting Kindergarten next year and they have not enrolled, please ask them to come to the front office for an enrolment form.

Term 4 Dates

The end of the school year is always a busy time. Please see the following dates for your family calendar.

Thursday 6 December Support Unit Coffee Catch Up

Wednesday 12 December Year 6 Farewell

Thursday 13 December Presentation Day

Monday 17 December Chullora Fair

P&C NEWS

P&C Meeting

We would like to thank our hardworking P&C members for the tireless work they do to improve educational facilities, resources and student outcomes. Thank you for giving your time and support throughout the year.

Thursday 13 December	Presentation day
Friday 14 December	Farewell Assembly: Mrs Morgani

Term 4 Week 10

Monday 17 December	Chullora Fair
Wednesday 19 December	Chullora's Got Talent

The simplest way

...to understand UV radiation

What is UV radiation?
Ultraviolet (UV) radiation is energy produced by the sun that we can't see or feel. UV radiation levels are not affected by temperature and UV can still be dangerous on cool or cloudy days. Although the UV is higher during summer, it is still present every day of the year.

Did you know?
When the UV level is 3 or above, it is strong enough to cause permanent damage to most skin types and sun protection should be used. UV radiation from the sun is the cause of almost all skin cancers and also contributes to sunburn, skin ageing and eye damage.

Staying safe when the UV is three or above:
Download the SunSmart app or use the online widget (www.sunsmart.com.au/uv-sun-protection/uv-uv-widget) to find out the exact hours to use sun protection in your area.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au
