

**Wednesday 11<sup>th</sup> December 2019**

## **Presentation Day**

Our Presentation Day ceremony will be held this Thursday commencing at 10-11am. Students across the school will be celebrated in the areas of learning and leadership. We encourage our special guests and all our Chullora PS families to attend our special presentation.

## **Kindergarten Enrolments 2020**

Kindergarten enrolments are open. See our administration staff for enrolment forms. If you have enrolled your child for Kindergarten 2020, you will soon receive a letter in the mail indicating your child's first day of school. Contact the office if you do not receive your letter.

## **Student Leadership Speeches**

Each year our student leadership speeches improve, and this year was no exception. Congratulations to our nominees and best of luck to those who are nominated at Presentation Day this Thursday.

## **Year 6 Farewell**

Chullora staff, parents and students farewell our Year 6 students and wish them the best of luck in their future endeavours. Students demonstrated exemplary leadership skills, maturity and empathy toward each other as they become the leading seniors of the school.

## **Community Thank You Morning Tea**

We were honoured to host our parents and community at our Community Morning Tea. Your continuous support and dedication to the school is always appreciated by all members of staff, parents and students at Chullora PS. We all say Thank you!

## **K-6 Art Competitions**

Congratulations to all students who participated in various art competitions this term. Students K-6 submitted art works in various competitions and exhibitions such as Koori Art Expressions, Calendar For Cultural Diversity, NSW Schools' Reconciliation Challenge, Nagoya City Art Exchange and both the Watson and the Public Education Foundation Christmas/New Year design-a-card competitions. A huge thank you to our Visual Arts Teacher Mrs Alexiadis for her dedication to the artistic growth of our students.

## **Community Links with Woolworths**

At Chullora PS everyone is a leader and students selected to perform the National Anthem at the Woolworths opening displayed exemplary leadership skills in the presence of the Chullora community. Thank you Ms Mikellides for connecting Chullora PS to our local Woolworths community.

## **Information Communication Technology Updates**

We have just unpacked our new 16 Chrome Book Laptops and will be formatting them for stage 2 classes to use in classrooms. More laptops will be distributed across other stages.
