Our Director Andrew Fielding paid a special visit to our school to present Mrs Russell with this award. She is being acknowledged and thanked for her professionalism and dedication to our students' academic, social and emotional wellbeing. Congratulations Mrs Russell!

## Year 3 and 5 Check-in assessments

Year 3 and Year 5 students have participated in a new reading and numeracy check-in assessment this term, 2020. The Check-in assessment is a NSW Department of Education online reading and numeracy assessment available to support schools to assess and monitor Year 3 and 5 student learning following the period of learning from home. The Check-in assessments can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs.

## Live Life Well @ School

### FRUIT, VEGETABLE & WATER BREAK

Research says that a chance to “refuel” by eating fruit and vegetables in class can help students focus.

Our school offers Crunch & Sip, a set time in class for students to have fruit and/or vegetables and water.

Here is how to pack for Crunch & Sip:
