Principals Message - Mrs. Bahia Almir

It has been delightful having parents and caregivers back on school grounds. The Chullora Community thrives when we all work together.

All students are engaged in wonderful teaching and learning experiences. Teachers have been provided with many resources to help them plan exciting lessons that help educate our students in the best way. To assist the school in providing for your children please pay the \$70 school fee.

Attached to this newsletter is the envelope for the schools fees, please include your child's name and class on the front and **return it to the office no later than Friday 1st April.** If you require a payment plan the school is happy to accommodate, please call the office to arrange a payment schedule.

All teachers will be engaging in Anaphylaxis and CPR training next Tuesday afternoon from 3:15 – 6pm this is to ensure we are well-equipped to cater for the needs of all our students. If your child requires an Anaphylaxis or Asthma plan please ensure you have provided the office with the appropriate medications and plans.

Please ensure your child/ren are coming to school on time between 8:30 – 9:00am. Pick-up has been at 3pm for the last two weeks and I would like to thank parents for coming on time to pick up their children. We have a few students being picked up early regularly, this is not encouraged by the department as every minute counts and the office will be asking for a medical appointment for an early slip to be issued.

Dear Muslim Parents and Caregivers,

Did you know that all children in NSW Public Schools are entitled to a session of religious education every week?

Our aim in providing SRE is to educate the Muslim students in your school to the best of our ability. With your support and assistance, we seek to develop in Muslim students a better understanding towards the teachings of their religion whilst also developing in them a stronger connection to their creator, their school and wider community.

Volunteers are provided with a syllabus with weekly lessons. All we need is ½ hour to 1 hour of your time per week.

Are you interested in filling this position? All information and materials are provided by the Islamic Special Religious Education (ISRE) body of the Islamic Council of NSW.

It's easier than you think and is also extremely rewarding!! YOU can make a big difference to our children. Show our children how important Islam is to you and how vital it is for the development of our community.

Your time and help will be greatly appreciated and immensely rewarding! Please feel free to contact us on 9708 0880 (Monday to Thursday 9:30am-2:00pm), or email info@isre.org.au for further details or interest.

Tell Them From Me Survey (TTFM)

Miss. Kerry Mikellides & Miss. Nivine Dernaika

Tell Them From Me (TTFM) is a suite of surveys for measuring student engagement and wellbeing. The surveys can be used to capture student, parent and teacher voices, providing reliable evidence for schools to use in identifying strengths and areas for improvement. During Week 8, students across Years 4 – 6 will be completing this survey during their library time to inform school planning.

If you would not like your child to participate, please contact the office on 9642 4266.

UNSW Instep Practicum Students

Miss. Kerry Mikellides

We currently have 11 students from the University of New South Wales working in our classrooms and providing extra support to our students.

The pre-service teachers are working alongside teachers across K – 6 including the support unit, assisting the teacher by working further with small groups to differentiate and support instruction.

We are so grateful for their assistance in educating our students.
