Principals Message - Mrs. Bahia Almir

With winter fast approaching, it is a good idea to ensure your children are wearing layers to protect them from the cold. If you need to purchase any jumpers, jackets or long pants, the uniform shop is available with no appointment required, to ensure your child is prepared for the winter months.

Uniform Shop Trading Hours

Monday 8:30 – 9:00 am

Wednesday 8:30 – 9:00 am

Friday 8:30 – 10:00 am

We have a few students coming to school who are unwell and should be kept at home to rest and recover. If your child does not look well in the morning, please ensure you keep them at home to minimise the spread of any potential virus. Upon their return, send them to school with a doctor's certificate to justify that absence.

Many parents might have noticed that we have construction works happening at the school. We are very excited to announce an upgrade to the grounds which includes two new demountables, asphalt and maintenance of the lawns. Due to these works, it is unfortunate to announce that we will be closing the David Street entrance to ensure safety of our students, parents and wider community.

If you would like to see regular updates and important information please follow 'The Lunchbox Canteen' facebook page.

To celebrate, this Friday 27th May, the canteen will be having a 'Red Day.' This means the canteen will be selling all kinds of treats and goodies including; lollies, cake and muffins along with other healthy snacks and the regular canteen menu. Prices range from 50c to \$3.00. Students are encouraged to bring in their money for extra fun food choices.

National Reconciliation Week Artwork

Mrs. Sophia Alexiadis

The collaborative artwork (featured below) was created by our 2021, Stage 3 students for the NSW Reconciliation Challenge, around the theme 'Under One Sky: Today, Tomorrow and Forever.' This artwork will be included in a public exhibition during National Reconciliation Week at Darling Harbour and The Rocks Discovery Museum and their website and also at Questacon ACT 27 May - 17 July. Congratulations to our talented students on their ongoing success in art competitions and public exhibitions.
